Estate planning is essential for protecting your family and yourself. But many fail to get the job done. Consumers Reports explains the steps you need to take.

## **8 Essential Steps for Estate Planning - Consumer Reports**

Although the estate sale industry has been around for years, there is no governing body that establishes estate sale rules, industry regulations or estate sale guidelines for companies to follow. Professional liquidators establish their own rules and guidelines to follow, and those may even change from one sale or company to another.
