It's the model mentioned in the title: I do have ADT's provided manual for it. As for information found inside the case, there are two stickers (one inside the door and one on the main PC board) that both reference the code A910. As far as the main IC, it's a Microchip-branded IC with Safewatch Plus V2.90 printed on it along with the code 13100085C.
