Daniel Burnham may only be known by many readers as the dual subject of Eric Larson's "Devil in the White City". But Burnham's work and legacy deserves a shelf of books. "Beyond Burnham" is an important study of the legacy of the Plan of Chicago devised by Burnham. As a resident of Chicago, I see Burnham's influence every day.

Star Trek: Deep Space Nine Illustrated Handbook - Memory ...

Daniel Burnham would have turned 170 years old this Sunday. The legendary architect and urban planner famously said, "Let your watchword be order and your beacon beauty." The other, more famous phrase attributed to him, though with less certainty, is: "Make no little plans. They have no magic to stir men's blood.

Making 'little plans' on Burnham's big day - BuiltWorlds

While there are many books on stars, there is only one Celestial Handbook . Now completely revised through 1977, this unique and necessary reference is available once again to guide amateur and advanced astronomers in their knowledge and enjoyment of the stars. After an extensive introduction in Volume I, which gives the beginner enough information to follow about 80 percent of the body of the ...
