counterstories.... It has the potential to be an important part of a future research program on the way that narratives shape our lives."

Damaged Identities, Narrative Repair|Paperback

Damaged Identities, Narrative Repair. Hilde Lindemann Nelson focuses on the stories of groups of people--including Gypsies, mothers, nurses, and transsexuals--whose identities have been defined by those with the power to speak for them and to constrain the scope of their actions. By placing their stories side by side with narratives about the groups in question, Nelson arrives at some important insights regard.

Damaged Identities, Narrative Repair free pdf - GIEE

The social practice of forming, shaping, expressing, contesting, and maintaining personal identities makes human interaction, and therefore society, possible. Our identities give us our sense of how we are supposed to act and how we may or must treat others, so how we hold each other in our identities is of crucial moral importance. To hold someone in her identity is to treat her according to ...

Holding and Letting Go - Hardcover - Hilde Lindemann ...

The article offers that while loss and narrative despair are the characteristic response of vulnerability storytelling does not always, contrary to dominant perspectives in narrative therapy and practice, result in narrative repair. Narrative despair...the pain, mourning, grief, and loss involved in telling stories...is central to a recovery of ...
