Double-Entry Journals - Comprehension Strategies

The double-entry journal is a two-column journal. In the left column, students write a piece of information from the text, such as a quotation or a concept, which students want to expand upon, understand better, or question. In the right column, students relate to or analyze the information that is written in the left column.

Double-Entry Journals - TeacherVision

The Double-Entry Journal strategy enables students to record their responses to text as they read. Students write down phrases or sentences from their assigned reading and then write their own reaction to that passage. The purpose of this strategy is to give students the opportunity to express their thoughts and become actively involved with the material they read.
