Municipal Bond Funds

A municipal bond, commonly known as a muni bond, is a bond issued by a local government or territory, or one of their agencies. It is generally used to finance public projects such as roads, schools, airports and seaports, and infrastructure-related repairs. The term municipal bond is commonly used in the United States, which has the largest market of such trade-able securities in the world. As of 2011, the municipal bond market was valued at \$3.7 trillion. Potential issuers of municipal bonds i
