From science fiction, romance, classics to thrillers there is a lot more to explore on Amazon. The best part is that while you can browse through new books according to your choice, you can also read user reviews before you download a book.

### **Sr20 Engine Swap**

Simply put, the SR20 swap is the best bang for the buck for the S-chassis. The second reason is simplicity. Unlike the other swaps, no custom mounts or drive shafts are needed. This sucker just fits perfectly, as you'd expect from a drivetrain that was the factory choice for the JDM version of this vehicle.
