The Existential Adulteration Of Harry

Harry is about to embark on an adventure that will take him from the pages of history to Hollywood, California, where he will encounter life, loss, love, and everything in between. During this time, he will question his existence and the meaning of his past and present lives, so much that he will confront the very being who gave him life, and make a final stand for what he truly believes in.

Amazon.com: The Existential Adulteration of Harry Potter ...

For anybody interested in Harry Potter, existentialism, or speculative fiction, this is a must read. The novel asks the question: what would happen if Harry Potter were freed from the confines of determined existence in the pages of the popular fantasy tale, and emerged as a "normal" guy into the real world?

As a member of the royal family, Prince Harry has, unsurprisingly, grown up in the public eye. That means we've seen him living the life many of us could only dream about, as this is how much Prince Harry is actually worth. However, while he's always lived in the lap of luxury, bouncing between various British palaces, attending the best private schools, and partying it up at some of the world ...

the existential adulteration of harry potter

The Existential Adulteration of Harry Potter should be taken off the candidates for deletion list because, although not an official part of the canon, it does add an interesting element to the Potter series. It is, in essence, Book 3.5.

Category talk:Candidates for deletion/Archive 8 - Harry ...

Existential philosophy may be a lonely pursuit at times, but at the heart of the theory is the idea that who we are and how we decide to live is partly based on how we relate to others. In existential therapy, you examine your relationships with others to find out what you might want to change those relationships.
