UNDERSTANDING INSTALLATION ART: FROM DUCHAMP TO HOLZER ...

Installation art is a term generally used to describe artwork located in three-dimensional interior space as the word "install" means putting something inside of something else. It is often site-specific - designed to have a particular relationship, whether temporary or permanent, with its spatial environment on an architectural, conceptual, or social level.

Installation Art Movement Overview | TheArtStory

The story is legend. Duchamp, wanting to submit an artwork to the "unjuried" Society of Independent Artists' salon in New York—which claimed that they would accept any work of art, so long as the artist paid the application fee—presented an upside-down urinal signed and dated with the appellation "R. Mutt, 1917," and titled Fountain.

Installation art is an artistic genre of three-dimensional works that are often site-specific and designed to transform the perception of a space. Generally, the term is applied to interior spaces, whereas exterior interventions are often called public art , land art or intervention art ; however, the boundaries between these terms overlap.

Installation art - Wikipedia

Installation artworks can be permanent or temporary and are shown in museums, galleries or in public spaces. Some of the earliest installation artworks were Marcel Duchamp 's readymade objects. However, the real development started in the 1970s.

Installation art - Simple English Wikipedia, the free ...

By refusing to accept the standards and practices of the established art world, Duchamp redefined our understanding of what constitutes an art object. Duchamp was born into a family of artists, and by the age of 15, he turned to painting, executing a series of landscapes in the Impressionist style. From 1910, Duchamp emulated the structural ...
